Greetings!

I just received a call from your staff, and they asked me if I had sent our letter to you. We have sent a letter to the DOJ. We looked at the e-mail, and see no address to send another copy to you.

If you would like a copy of our letter, which you have seen via e-mail, and which accuses certain competitors of attempting to undermine Microsoft in the courts, then please provide to us the address where you would like it sent.

Nothing has angered us more than the behavior of Sun, Oracle, and others. With 30 years of experience in data processing, I can tell you that I have and will continue to avoid the use of their products. This strikes a nerve with all of us.

Sincerely

Bob Nelson
